To All Parents and Carers,

Hope this finds everyone keeping well and happy.

We just wanted to update you on the situation regarding return to Face to Face Scouting at 166th.

Although the lock down is now ended and the Scout Association has allowed F2F to resume, as stated in our previous communication, the Leaders have decided not to return while we are in Tier 3 restrictions. We will review the situation further after the Government make their announcement next week, and hopefully will be able to return in the New Year.

As stated in our last communication, in order for a young person to attend F2F meetings, we need to have a new Contact information form and Permission to return form for each member. Some parents have already returned these, Thank You, but if you have yet to submit them can I please urge you to do so, in order that we can get the young people together as soon as we feel the time is right without any hold ups.

To update your Contact information please submit a new 'Membership Enquiry' form (link [here](#)).

To submit a Permission to return form please follow the link [here](#).

We will be in touch further when we know more, but until then keep well and have an enjoyable break.

Best Wishes,

Julie Skivington Group Scout Leader
