To All Parents and Carers,

I hope you are all well and enjoying the sunshine.

We are now ready and excited to welcome the Young People back to Face to Face Scouting. You will all have been notified by your Childs section leader on the details of this.

As we have previously stated, in order for your child to be able to attend F2F meetings we need to have the updated Contact Form and Declaration to Return Form in our records as being completed (see links below).

On checking our records it seems we are still waiting for one or both of these from you. If you are not happy about your son/daughter returning yet that is absolutely fine, there is no pressure at all, but if you could let the relevant Leader know and we can keep their name on the register.

If they **do** want to begin F2F Scouting at this time then could you please complete the forms (see links below) as soon as possible, in order that your Child's name can be included in the meeting register.

All the Leaders and Exec members have been working very hard to ensure the HQ is Covid ready and all Government Guidelines are being observed and we look forward to welcoming our members back for some Fun and Friendship.

Best Wishes
