

# 166<sup>th</sup> MICKLEOVER CUB PACK

Hello to all Cub Parents and Carers,

Hoping this letter finds you all well and happy.

Following the National Youth Association and Scout Association guidelines we are able to resume Face to Face meetings after Easter. After discussion with all the leaders, it has been decided the Cubs will return on 27<sup>th</sup> April at our HQ. We will be holding the meetings in the marquees in our grounds in accordance with the guidelines.

In order for the Cubs to attend F2F it is essential the forms we requested in our recent Email are completed and returned. We are absolutely forbidden by the Scout Association to allow any young person to attend without them. We really do not want to have to refuse any Cubs who wish to return, but without the forms we will have no choice. Thank You to those who have returned them already.

Any Parents who would prefer their Cub to wait a while before returning F2F please get in touch so we can keep the names on the register. There is no pressure to return at this time. Can we also ask, any Cubs who no longer wish to be kept on the register, please let us know so we can offer their place to a child on the waiting list.

We are planning a meeting for Parents via **Zoom on 6<sup>th</sup> April 7pm.**

**Meeting Id 99186408564**

**Password 174027**

to run through our plans for the extra measures we have introduced to conform to Government guidelines. Please make every effort to log on as there will be important information regarding arrivals/departures and safety procedures during the pack meetings. If you could comment on the Whatsapp group if you are able to attend to give us an idea how many to expect please.

We are planning a Virtual Sleepover the weekend of 23/25<sup>th</sup> April which is the weekend before we go back F2F. This will involve the Cubs either sleeping in a tent outside or creating a den to sleep indoors. This can be in any form they choose, the only criteria is it cannot be in their bed!!!! We will hopefully have various Zoom sessions throughout the weekend with activities we can complete together and the theme is of course St George. The Cubs will earn two nights away with this weekend as well as various other elements of badge work. More information will be posted on the Cubs Whatsapp chat in the next week or so.

I would just like to say how much we are looking forward to welcoming the Cubs back to F2F meetings, albeit slightly differently to normal.

Looking forward to seeing you (on screen) on 6<sup>th</sup> April

Best Wishes

The Cub Leaders
